

Leeds Sustainable Technologies and Landscape Resource Centre (STaLRC)

Rules for Ideas Competition:

Project Office is inviting Leeds Beckett alumni to participate in a Live Project Ideas Competition.

You are invited as an individual or team to submit a concept design for the building, surrounding landscape and name for the new Sustainable Technologies and Landscape Resource Centre.

Timetable:

1. Competition Launch	Wednesday 30 th March
2. Open Site Visit	1pm Sunday 10 th April
3. Questions submitted by	1159pm Monday 11 th April
4. Ideas Competition Deadline	12noon Monday 18 th April
5. Announcement of shortlist	Tuesday 19 th April
6. Presentation of Shortlisted schemes	530pm Monday 25 th April
7. Announcement of Prizes	Monday 9 th May

Ideas Competition requirements:

4 x A3 PDF (landscape orientation) concept design sheets.
(emailed as one file called *STaLRC 'your project title'*)

Content at your discretion but it must include relevant information to allow the judges a clear understanding of the project. Photographs of models are acceptable as part of the submission.

Assessment by the panel will be a judgement on each competitors response to the Design Guide.

The project has an approximate construction budget of £500,000 and will begin on site in early 2017 to be completed ready for the 2017/18 academic year.

A prize fund of £500 will be awarded. The distribution of which will be at the judge's discretion.

The continued involvement of the preferred project designer(s) will be negotiated with Project Office. The intention is that the services of the winning team will be retained up to planning submission as sub-consultants. This will be in the form of up to 5-day design sessions and a fee will be paid of £200 a day. Any involvement beyond planning will be negotiated.

The client (Leeds Beckett University) reserves the right not to construct any of the submitted projects.

Brief:

This 'rules' document plus the associated Design Guide fulfils the complete briefing. A dwg of the site plan is also available.

Eligibility:

Leeds Beckett (Met) School of Architecture and Landscape Architecture Alumni.

Questions:

Any Questions and clarifications must be received by 1159pm Monday 11th April.

Judges: Client (Leeds Beckett University) Stakeholders and Project Office

Email Address: projectoffice@leedsbeckett.ac.uk

Concept designs will not be accepted after the deadline.

Please include the names of your team/individual in the text of the email that includes your competition entry attachment. Group entries must identify an individual from the group with whom Project Office can liaise.

Maximum size of attachment 9Meg.
